TAB 1: Discussion of Board of Pharmacy's Draft Rules Related to HB389 Informational Materials for Review for Discussion

Board Chair, Dr. Joel Rose, called the meeting to order and welcomed all attendees.

Program Administrator, Carol Taylor, noted that the purpose of the meeting was to discuss House Bill 389 (HB 389). Dr. Rose provided a brief overview of HB 389 and the items the board would discuss.

Dr. Rose asked for volunteers from the Osteopathic board who would be interested in serving as the board's second member of the joint committee with the Board of Pharmacy and the Board of Medicine. He also stated that he would serve as the first member. The first Joint Committee meeting is scheduled for June 25, 2020.

Dr. Bellinger nominated Dr. Mendez to serve as the second member of the Joint Committee. Dr. Hayden seconded the nomination. The nomination passed.

Direction was given to the board to provide any comments or questions they might have, following the meeting, to the Board of Osteopathic Medicine board office.

Discussion ensued with input from the board and meeting attendees. Discussion included the desire from an attendee, that there be a single standard of care that is no less than the standard currently in place. There was a further desire that the term "interactive computer based" when discussing a course, be better defined. Several questions and comments arose during discussion of Rule 64B16-0035. A desire to see in rule something that specifies what modification entails was conveyed. Discussion regarding the Collaborative Agreement resulted in much input from all present, including concerns with HIPAA compliance. Board of Pharmacy board counsel noted HIPAA concerns would be further discussed at the June 25th joint meeting. In discussion of test and treat, there was concern that movement forward should be in a safe and responsible manner. Much discussion entailed regarding concerns with sharing of information, records, and a failure to specify which board when referencing the board. This discussion generated much input and many concerns.

Direction was again provided for osteopathic physicians to provide comments or questions to Board of Osteopathic Medicine board office and for medical physicians to provide comments or questions to Board of Medicine board staff.

A Joint Committee Meeting with representation from the Board of Osteopathic Medicine, Board of Pharmacy and Board of Medicine is scheduled for June 25, 2020.
